To schedule your matches, follow these instructions when possible:

1. Find your Player Number that applies for the current season (See the first table).
2. Identify who you should play with before each "Suggested Date" (Each opponent has a Player Number).
3. Schedule and play each match. Each box will have no more than 8 players.
4. If you miss any date/match, reschedule and play it before the last two weeks of the season.

Example:

Start Date	We suggest to play your match before this date...							End Date
17-Apr	29-Apr	7-May	15-May	23-May	31-May	8-Jun	16-Jun	30-Jun
Player 4	4 vs. 3	4 vs. 1	4 vs. 7	4 vs. 5	4 vs. 2	4 vs. 8	4 vs. 6	

For the season starting on April 17th-ending on June 30th, **Player 4** should play with:

- ...player 3 before Apr 29th
- ...player 1 before May 7th
- ...player 7 before May 15th
- ...

Player numbers will be assigned at the beginning of each season. If your box does not have Players No. 7 or 8, you could take it easy those days.
